## Challenge

1. China, Porcelain or Crystal
2. Jewellery
3. Part of a Structure (Outside)
4. Woodworking Tools (Close-up)
5. What You Wouldn't Purchase

2 photos of different challenges

A close-up photograph of a textured, brownish-gold surface, likely a sculpture. The surface is covered in small, raised, circular bumps. A prominent circular feature is visible in the upper center, and a dark, vertical crease or shadow runs down the right side. The background is slightly blurred, showing a building with horizontal siding.
