

Isolated Subject – August 26

Digital Photography Group – fortnightly challenge

“Isolated Object” - 2 Photos Please send in a maximum of 2 images !

This challenge is to find and photograph an isolated object. This challenge focuses on simplifying your composition to one central item, forcing you to pay close attention to its form, texture, and light. You can shoot in colour, or B&W, indoors or outside. **You can send me 2 different photos of the same object, or choose 2 objects to shoot.**

Please return your photos to John **by Sunday 30th August** to jsdpg2@gmail.com
